Electra Clean N/F

DESCRIPTION

TREBLEX Electra Clean N/F is a safe replacement for products containing carbon tetrachloride. This product has **NO FLASH POINT** and is **NON FLAMMABLE**.

FEATURES

- 360° valve, use inverted if needed.
- Non flammable.
- Removes and flushes away grease, dirt, oil and other waxy contaminants that can cause electrical failures.
- Fast evaporation.
- Contains no Silicones, CFC 113, Methyl Chloroform, Tetrachloroethylene or Carbon Tetrachloride.
- Can be used on low voltage motors and equipment in operation.
- Non residual.

APPLICATIONS

- Circuit breakers.
- Industrial and Marine engines.
- Electric motor and transformer windings.
- Lift trucks, hoists, switch gear and generators.
- Mechanical and electrical parts, fuse holders, alarms, industrial equipment, escalators and elevators.
- Gear boxes, controls, coils, cables and insulators.
- Antenna insulators.
- Laboratory equipment.
- Use on any metal surfaces prior to anti corrosion treatment.

DIRECTIONS

- May be harmful to some plastics. Test on small area before using.
- Hold can approx 20cm from the area to be treated.

SAFETY

Keep out of reach of children. Harmful if swallowed. Use with adequate ventilation. Read Material Safety Data Sheet before use.
