Kleen Air

DESCRIPTION

TREBLEX Kleen Air is an airborne Anti-Bacterial Deodoriser for use in all air conditioning systems including household, marine, automobiles and trucks. This aerosol will eliminate odours, deodorises all internal ductwork and evaporator.

FEATURES

- 360 degree valve.
- Eliminates bacteria.
- Eliminates fungi.
- Leaves a residual fragrance.
- Safe for humans and system components.
- Eliminates odours.
- Deodorises ductwork and evaporator.

APPLICATIONS

When used as directed TREBLEX Kleen Air Anti-Bacterial Deodoriser will effectively eliminate bacteria, fungi, moulds and viruses from the air conditioning system. These cause unpleasant odours, hay fever symptoms and other allergic reactions.

DIRECTIONS

- Run air conditioner on recirculating with windows and doors closed.
- Locate fresh air intake on air conditioner.
- Attach plastic extension tube to aerosol nozzle and insert into fresh air intake.
- Depress aerosol nozzle and empty contents into operating air conditioning system.
- Allow system to run for a further five minutes.

SAFETY

Keep out of reach of children.
Harmful if swallowed.
Always use with adequate ventilation.
Read Material Safety Data Sheet before use.
