Matt Black Lacquer Spray

MATT BLACK LACQUER SPRAY

- A highly robust special lacquer for the protection of metal surfaces which are exposed to the weather.
- Its special lacquering effect also allows it to be applied to give cars a sporty appearance as well as to brighten up weathered surfaces.
- Fast drying.
- Adheres to metal, wood, concrete, polyester, on lacquered or grounded undercoat.
- Protects from rust and stone chip.
- Weather-proof.
