NF Contact Cleaner

DESCRIPTION

TREBLEX NF Contact Cleaner is a technically superior, stable, inert high purity cleaning solvent. This product has **NO FLASH POINT**, is **NON FLAMMABLE**, and contains no lubricants.

FEATURES

- 360° valve, use inverted if needed.
- Non Flammable, no flash point.
- Chemically stable, non corrosive and non conductive
- Contains no methyl chloroform or CFC 113.
- Fast evaporating highly refined solvents, leaves no residue.
- Superior non staining cleaning solvent.
- Helps prevent contact failure by dissolving and flushing away contaminants.
- Instantly removes grease, oil, dirt, flux and other potential contaminants.
- Rapid and complete evaporation.

APPLICATIONS

- Any switch contacts.
- Terminal blocks.
- Air conditioning.
- Connectors.
- Motor controls and housings.
- Chargers.
- Refrigeration.
- Fans.
- Motor shafts.
- All milling applications.
- All mining applications.
- All off shore oil and gas operations.
- Fork trucks.
- All battery powered vehicles.
- Circuit boards.
- Alarms.

DIRECTIONS

- Apply evenly to surface requiring cleaning.
- Allow product to flush contaminants away.
- Use an abrasive to remove oxidation from contact surfaces.
- Use extension tube where necessary.
- Burnishing is also an option.

SAFETY

Keep out of reach of children. Harmful if swallowed. Use with adequate ventilation. Read Material Safety Data Sheet before use.
