

Contributing to a safer world for our kids

Bosch Plena Public Address: versatile, reliable and extremely easy-to-use. The ideal sound solution for schools.

Helping schools meet the challenge of increasingly stringent duty-of-care responsibilities, the Bosch Plena Public Address & Emergency Sound System is a convenient & simple to use all-in-one PA system that has been designed to meet the needs of schools for paging, time signals, music distribution as well as emergency evacuation & lock-down.

For smaller schools, the Bosch Plena Easy range of mixing amplifiers offer an affordable, cost effective PA, EVAC & Lockdown solution, while the Plena Voice Alarm & PA System is recommended for larger schools.
