PROHDCART product information sheet

Carts and Stands

Product Specifications

Fits most: 37" - 55" flat panels
Supports up to: 125 lbs (56.7 kg)*
Shelf capacity: 40 lbs (18.1 kg)
Tilt: -5º to +15º
Universal and VESA compliant: 100x200 to 500x900
UL Listed: Yes
Warranty: 5 years
Color: Black

*Total capacity including panel and components not to exceed 125 lbs (56.7 kg)

Product Benefits

- Telescoping post with locking pin allows for height adjustment from 51" to 72" in 1-inch increments (measured from floor to center of mount head)
- Includes universal adapter for greater panel compatibility
- Lift n' Lock™ for quick installation
- Displays can be mounted in portrait or landscape orientation
- Adjustable and lockable shelf comes with component strap and can be repositioned in 1" increments
- Shelf can be positioned in front or back to hide components when needed
- Integrated in-post cable management
- AC cord wrap for hassle-free transport
- Nesting base for easy storing of multiple carts
- Caster base with four locking, non-scuffing 4-inch wheels provide safe and easy movement over any surface
- Rubberized bumpers won't scuff walls or doors
- Quick assembly
- Additional shelves available as an accessory
- Complete Grade 5 hardware kit
